

## East Kildonan Hockey Club

The East Kildonan Hockey club has been re-organized and the following elected to office for the current season: President, Mr. W. Haines; vice president, Mr. Geo. Pike; secy.-treas., Mr. J. L. Pateman; manager juvenile team, Mr. W. McCredy; manager midget team, Mr. Osdar Hansen; coaches, Mr. J. Alexander (juveniles), and Mr. M. Kowcinak (midgets).

It was decided to enter two teams in the juvenile and city leagues. Since the meeting practices have been held of both squads and a large turnout of lads trying to find places on both teams resulted. Much promising material is available.

A practice at the Olympic rink is being held on Friday morning from 11 o'clock until noon by invitation only, when it is hoped a definite selection of players to carry East Kildonan colors will be made.

It will be remembered that the midget team of last season did great credit to the community by winning the "A" division of the league. It is anticipated that both teams will go a long way in minor hockey circles this winter, and a successful season is anticipated. The following executive are in charge: Messrs. McDonald, Halliday, Southall, McGregor and Harman, together with the officers named above.
