May 1915

Special Ceremonies at East Kildonan School—Gen. Steele Presides.

At 2:30 Saturday afternoon a goodly portion of East Kildonan's residents gathered on the site of the new Lord Wolseley school on East Kildonan road, and listened to the ceremony appropriate to the laying of the corner stone of the new edifice.

The guest of honor was Maj.-Gen. Steele, who laid the stone, and delivered an appropriate address, in which he briefly reviewed the career of Lord Wolseley, alluding to that notable's service in Canada having fitted him for great achievements in other parts of the British empire. He spoke of the great value of education and how much it meant to the rising generation. Sixty members of the East Kildonan school cadets acted as an escort to the general, and were reviewed by him before the ceremony began.

The Kildonan chapter, I.O.D.E., was present in numbers, the order being represented on the platform by Mrs. M. Sutherland, regent and Mrs. G. F. Munroe. K. J. McDougall, one of the school trustees, performed the duties of chairman for the occasion, and introduced Gen. Steele to the audience. A. Matheson, chairman of the board of trustees, read a list of the articles which were placed in the stone, among them being a copy of the school act, a copy of each of the Winnipeg newspapers, Canadian silver coins now in circulation, and a statement of the reigning officers, both Dominion and provincial.

Several patriotic choruses were rendered by the school children.

# School Addition Gets O.K. From Kildonan Voters

East Kildonan voters approved the \$70,000 addition to Lord Wolseley School at Friday's municipal elections. The money will be spent to add four rooms to the present building to relieve the congestion prevalent in East Kildonan's school population, returning some of the Lord Wolseley grades now attending Prince Edward. Prince Edward in turn can bring back their two grades now at Polson.

A total of 1,692 votes were cast for the bylaw, 922 voting against it.

F. E. Beckett, chairman of the board, in a statement to the press, said the board appreciates the response of the ratepayers of East Kildonan in passing the money bylaw. It was very gratifying to the School Board, as the extra accommodation is urgently required. He stated that the Board intends to start the project immediately after tenders are received and approved.

# Lord Wolseley Pupils Celebrate Coronation June 1

Lord Wolseley School pupils gathered in two assemblies Monday, June 1, to celebrate the Coronation of Queen Elizabeth.

Grades I to III met in the school building where they heard Mrs. P. V. Samson speaking on the importance of the Coronation for young Canadians.

The service featured the singing of a new song especially written for this occasion. The Festival choirs from grades IV to VI sang "Land of Hope and Glory" under the direction of Miss L. M. Hudson. Miss Duerksen's class sang "Coronation Bells."

Recitations by Beverley Robinson, and a Coronation prayer read by Eleanor Berezuk completed the program.

By kind permission of the minister and session, grades IV to VI met in John Black Church. Rev. Mr. Samson was the principal speaker. Patrol Captain Norval Van Engel read Nathaniel Benson's Coronation poem.

Inspector J. B. Day unveiled the portrait of the Queen presented to the school by the Department of Education. Mrs. A. A. Anderson, chairman of the education committee of the School Board, presented a Coronation certificate to each of the scholars.

Singing was conducted by Miss G. A. Craig and Mrs. I. G. Muirhead.

Principal L. W. Wiley was chairman at both services. Miss G. M. Lowery, music supervisor, acted as accompanist.

# Lord Wolseley School Wins Festival Trophy For Fifth Straight Year

With the completion of the 39th annual Manitoba Musical Festival Saturday night a record was established by a local school teacher which will probably stand for years and more than likely never will be broken.

Last Thursday afternoon Miss Frieda Duerksen conducted a choir from Lord Wolseley School which was awarded the Sir Hugh Robertson Trophy for the fifth consecutive year.

In selecting the East Kildonan entry as the winner Adjudicator Brian Boydell said there was no doubt in his mind. "They had a lovely tone and lovely phrasing."

The competition is open to elementary school choruses from the city and suburbs. Six winners from previous events compete.

Besides winning this trophy for five years, Miss Duerksen's choirs have also won the Winnifred Tufts Memorial Trophy for three years.

The performance of the choir was of such a high calibre that they were asked to sing at the final concert in the Civic Auditorium Monday night.

Another East Kildonan entry, Munroe School, also took part in the final concert. They had won grades 1-3 singing games class, suburban schools, also on Thursday afternoon.

In her first successful year Miss Duerksen's choir was composed of grades 1-4. Since then she has enlarged it to include grades 1-6.

A member of the teaching staff at Lord Wolseley for six years, she previously taught for a year-and-a-half at Hebert School near Lowe Farm.

As a profession, teaching runs in the family. Miss Duerksen has a sister at Angus McKay, another one a teacher in a city school, while a brother teaches in West Kildonan.

Although she prefers choir work to instrumental music Miss Duerksen plays the piano and is one of four organists at the Elmwood Mennonite Church.

A little modest when congratulated on the five successes

Miss Duerksen said most of the credit belonged to Miss Gertrude Lowery, music supervisor for East Kildonan schools, and to the children themselves.

"I had very little experience in choral work when I came to East Kildonan," she said. "Miss Lowery has taught me all I know."

Miss Duerksen resides at 161 Leighton avenue.

# Lord Wolseley School Opening

April 1975

(This article is contributed by Wm. J. McLellan who moved to E.K. in 1912 and is presently active in Bronx Park Senior Citizens.)

In the beginning the East Kildonan school district consisted of two schools, East Kildonan and Polson school. The dividing line was all north of Melbourne Ave. to East St. Paul attended East Kildonan and the south area attended Polson. East Kildonan had two rooms and two teachers.

The area as the new schools were planned were some what changed from the original districts or borders.

When they started the planning of the three new schools in 1914, as up till then from 1912 the population grew.

When the plans were started, there were those who contended they were building too big and the school would never be filled. However, through the foresight of the ones in authority went ahead and contracted for the schools to be built which caused a considerable amount of controversy. The schools, "Lord Wolseley", "Lord Salisbury" and "Lord Kitchener" came into being.

The East Kildonan school was situated in the area of the Fort Agazzi Apartments on Henderson Hwy.

Lord Wolseley opened with four rooms and four teachers, Lord Salisbury and Lord Kitchener with 2 rooms in each school occupied.

The transfer of pupils from East Kildonan school to Lord Wolseley in Sept. 1915.

The first principal was Mr. D.S. Mitchell, who was formerly principal teacher of East Kildonan.

The district was sparse and was policed by one man and who had the duties of truant officer included.

# Mural will celebrate end of a chapter in school's history

*Grade 4 Entry French Immersion program at Lord Wolseley School being phased out, mural a lasting tribute*

**By Wanda McConnell**  
*Herald Editor*

A large mural will be unveiled later this month at Lord Wolseley School that will commemorate the Grade 4 Entry French Immersion Program.

The program in which youngsters took regular English schooling in kindergarten through Grade 3, then began French immersion in Grade 4, was unique in the province.

It was offered at Lord Wolseley School for 20

years, but the Grade 6 graduating class in the year 2000 will be the last for the program.

School principal Andrea Hammond says enrolment in the program declined over the years to such an extent that the River East School Board decided to discontinue it. There was no new Grade 4 class last fall, leaving only Grade 5 and 6 French immersion students in the school. This fall, only the Grade 6 class will be left.

## Feeling sad

Hammond says the community feels sad and wishes the program could have continued. But, she says, the focus will be on cele-

brating its time at the school.

"Lord Wolseley has such a great history spanning over 80 years," says Hammond. "It was once a high school. It once had home ec. This just ends another phase in the school's history and we want to celebrate it and leave a lasting memory."

The lasting memory will be the mural, made with the assistance of artist Bud Gillies.

The 31 students in French immersion at Lord Wolseley created 58 clay tiles depicting scenes representative of the life of the program.

The mural will be

unveiled on May 27 at a tea to be held from 4:30 to 7 p.m., commemorating the closing of the Grade 4 French Immersion Program. All former French Immersion students and families from Lord Wolseley are invited to attend.

Guy Roy, assistant deputy minister responsible for French education in the province, says enrolment in French Immersion programs is declining across the province. He says that in 1984, there were 11,000 in French Immersion programs in Manitoba. The number grew to 19,751 in 1991, but has since dropped to 17,620.
