

WHY PAY RENT?

New Superb Home District

Greenwood Estates

*Select Suburban Residential Section in
East Kildonan*

UNSURPASSED FOR BEAUTY OF SITUATION.

Magnificent oaks, elms and maples abound, connecting Kildonan's splendid highway with the Red River.

Asphalt pavement, good car service, sidewalks, and property amply restricted.

The Redwood Bridge on one side and the proposed Exhibition Park Bridge on the other side—two bridges crossing the river within a few minutes' walk.

We can show you how you can own your own home at small cost. Special building offer to first ten persons purchasing lots.

An excellent speculative proposition. Come! Talk it over with us NOW.

PRICES—50 foot lots, \$20 per foot. Quarter cash, balance 3 equal annual payments; or 40 monthly payments of \$25 each.
