

# East Kildonan Plans Additional Water Connection With City

East Kildonan is planning an additional water connection with Winnipeg at Grey st. and the city limits near Harbison ave. At the present time East Kildonan is awaiting the arrival of valves to be used in the job. The water line will run north along Grey to Moncton ave. in Morse Place. The East Kildonan section of Grey st. will be graded. The Public Utilities committee of City Council has agreed to extend the watermain on Grey st. to the city limits.

At present East Kildonan has a link with the Winnipeg water system which runs over Louise Bridge.
