—Concentrating a full power of determination to organize and represent East Kildonan in the city intermediate league this season, the East Kildonan Girls' Softball club met in the Lord Wolseley school Thursday night and elected their officers for the year. The following are the elected: Honorary president, Mr. H. Haines; president, Jean McCready; vice-president, H. Camsell; secretary-treasurer, H. B. Wannop; executive committee, Irene Carter, Dorothy Engall and Violet Wood. The nucleus of the team is formed around the many local girls who were outstanding players in various teams playing in the city league last year. Their presence on the team will give it strength while their experience and seasoning will help materially in steadying their team-mates who will be playing league ball for the first time. As soon as weather permits practices will be held under the able guidance of Frank Trocel, prominent local ball-player. The use of the grounds opposite the Roxy theatre have been applied for.
