

# KILDONAN OLD TIMERS' MEETING

Elect Officers and Complete Arrangements For Annual Ball March 10.

A meeting of the old timers of Kildonan was called and largely attended at the residence of Ernie G. McBain, Kildonan East, last night. There was a large turnout. Officers for the ensuing year were chosen, E. G. McBain being elected president, and D. W. McIvor, secretary. The meeting decided to follow the plan adopted in former years of setting aside a night for the giving of a reception and ball to Kildonan old timers and their friends.

The date set for the event is the evening of March 10, and work will be at once put underway by the different committees so as to make the coming ball a feature of the season.

Sutherland, and W. J. Major. Transportation committee, Geo. F. Munroe, chairman; Ernie Whellams, Charles Midwinter, James Hamilton. Master of Ceremonies, J. H. Braden. Doorkeeper, A. G. Matheson.

About three hundred guests will be invited. Special music will be engaged and arrangements made with the street railway to convey guests to and from the Kildonan agricultural hall where the ball will be given.

The members of the association will meet at the residence of Alex. Munroe, East Kildonan, on Thursday night of this week, to complete arrangements, prepare dancing programme and will send out invitations. It is desired that all the old timers who can find it convenient be in attendance at this meeting.

# PIONEERS OF KILDONAN

## Ball Under Auspices of Old Timers of Historic Parish Was a Notable Event.

For over fifty years the old parish settlement along the Red river, immediately north of Winnipeg, has been noted for the success of its social functions. The "old settlers" seemed to have an open kindly way of extending their hospitality that gave it a lasting nature, which seemed to be remembered through the long lapse of years by all who had enjoyed it.

That a powerful amount of this far-reaching hospitality still remains in the old settlement was without doubt demonstrated to all who were present

E. G. McBAIN,  
President Kildonan Old Timers.

Tuesday night at the Old Timers' ball in Kildonan Agricultural hall.

The hall was handsomely decorated with British flags and presented a gay and festive appearance. About 8.15 in the evening the guests began to arrive and by 9 o'clock fully three hundred and fifty were present. From then until 2.30 in the morning, except for a short interval for rest and refreshments, dance followed dance in quick succession.

Members of the reception committee were distributed through the hall and made it their business to see that those present took part in the dances and thoroughly enjoyed themselves.

**Red River Jig Popular.**

The programme was composed of many of the old time numbers, which gave the "old timer" guests an opportunity to join in the merry dances as in younger days. "The Red River jigs," Scotch reels, strathspeys and quadrilles were the most popular and enjoyable numbers. The wants of the younger guests too were not forgotten as the programme provided sufficient of the newer dances so that they could enjoy and at the same time show their skill in the dances of the present day, and from the apparent enjoyment of all they were not lacking in qualifications.

Before leaving the hall to board the cars awaiting to convey them to their homes three hearty cheers and a tiger were given for the Kildonan old timers as a climax to one of the great social events of the year.

# Suffered From Heart and Nerve Troubles FOR THE Last Ten Years.

The heart has supplied to it two sets of nerves, one set which quickens, the other which slows its action. The proper action of these nerves, so important to the well-being of the heart, depends upon the general condition of the nervous system. If there be nerve derangement of any kind it is bound to produce all the various phenomena of heart derangement.

Knowing the intricate structure of the heart, and being aware how diseases of the nerves affect the heart, we have combined in Milburn's Heart and Nerve Pills a treatment that will cure all forms of nervous disorders as well as act on the heart itself, and in this is the secret of their success in curing so many cases of heart trouble which have defied all other treatment.

Mrs. John Ribly, Douro, Ont., writes: "I have been a great sufferer from heart and nerve troubles for the last ten years. After trying many remedies and doctoring for two years, without the least benefit, I decided to give Milburn's Heart and Nerve Pills a trial. I am thankful to say that, after using nine boxes, I am entirely cured, and would recommend them to all sufferers."
