

North Kildonan Municipal By-Laws 1925-1939

January 20, 1925

By-Law 1 – To regulate the proceedings of council. Meetings are to be held Tuesday of each month at 2:00 pm during the months of January, February, March, November and December and at 7:30 pm during the other months of the year unless by special order or that day is on a public holiday. Meetings are to be held in room 218 in the Chamber of Commerce Building in Winnipeg.

Unless there is a quorum present in the hour appointed, the meeting shall stand adjourned until the next meeting, unless a special meeting is called. Special meetings may be called by the reeve upon the request of at least one member of council but a clear day's notice must be given. Meetings must be adjourned by 5:30 pm on afternoon meeting days and at 10:30 pm on evening days unless a majority of council vote to continue. In the absence of the reeve one of the councillors shall be chosen to preside at that meeting only. The reeve or presiding officer shall preserve order and the decision of the reeve or presiding officer is final unless 2/3 of the members present vote to override the decision.

Orders of the Day

1. Reading of the previous meeting's minutes and confirming the same
2. Hearing of Deputations
3. Accounts
4. Original Communications
5. Petitions
6. Report of Committees
7. Referring Petitions and Communications

April 9, 1940

By-Law 448 – To amend By-Law 303 – To require every residential or habitable building to have a satisfactory plumbing or sewage system or a privy and a privy vault.

The vault must be made of concrete or hard burned brick with a floor at least 5 inches thick. The size of the vault is to be 4 feet long and 3 feet wide and 4 ½ feet deep. The outhouse built on it must be 6 inches above ground level and cover only the first 1 ½ feet of the vault with the back of the vault covered with a tightly fitting door with 6 inch strap hinges laid at a 45 degree angle.

No privy is to be installed within 20 feet from any street, 40 feet from any well and less than 4 feet from any lane or adjacent property. Privies on properties of more than 4 acres may be built without a concrete or brick vault but they must be built no closer than 100 feet from any well, street, store or habitable building.

All privies must have their design approved by the building inspector before construction and the permit fee to construct a privy is 50 cents.
