East Kildonan School.—East Kildonan electors decided Tuesday to expend the sum of \$150,000 on the erection and furnishing of a new school, which for some time has been greatly needed to cope with the needs of the rapidly growing population. The by-law authorizing the expenditure of the money on the school was passed by a majority of 43. A special committee, which met Tuesday evening decided to call for tenders for a site on which to erect a War Memorial in East Kildonan. W. A. Corbett, Bonnar avenue, was elected to the board of school trustees.

OPEN SCHOOL IN EAST KILDONAN

Hon. Dr. Thornton Officiates at Ceremony in New \$60,000 Structure

Hon. R. S. Thornton, minister of education, formally opened the new Prince Edward school in East Kildonan at 3.15 this afternoon. Prior to the formal declaration that the school was opened the pupils gave a short program.

Hugh McNair, chairman of the school board, presided and introduced the minister of education. Among those attending were members of the East Kildonan school board and of the municipal council. Rev. H. J. Robertson, of John Black Memorial Presbyterian church, and Rev. J. A. Shirley, of St. Stephen's Anglican church, were present also.

It was stated that about 300 pupils will attend the new school, which is an 8-roomed, one-story, brick structure of pleasing design. Its cost was about \$60,000.

Enrolment began Tuesday and classes will assemble Thursday morning.

Prince Edward School 1920-1970

Prince Edward School is celebrating it's 50th anniversary and Manitoba's Centennial with a tea on June 3rd from 2:00 to 4:30 p.m. and 7:00 to 9:00 p.m.

Old registers and pictures will be on display. Former teachers, and students are invited to reminisce and renew old friendships. The history committee of the school is looking for photos and other items. We ask that anyone having these articles please submit them to Miss Cartmell at Prince Edward School.

Near the end of the year 1919 the East Kildonan School Board, whose members were: Chairman H. McNair; Secretary-Treasurer J. D. Young; J. F. Campbell; Alex Tevendale; J. A. Russell; W.A. Rees, J. Yates; and S.R. Henderson decided to erect a new school to alleviate the overcrowding of Polson School due to a large influx of immigrants after World War I. They purchased "4.79 acres on the north side lying between Cawder and Pentland" (street names now disappeared) of the Arnold Campbell property at \$3,000 per acre.

An eight room school was built and the pupils moved in on October 19th, 1920. The official opening was October 25. A picture of Prince Edward was presented by Mr. Thorton and still hangs in the front entrance hall. The first teach-

ers were: Misses K. Dagg; E. Fenny; M. Gappy; M. Hamilton M. Noble; M. Lightbody; B. Cameron, I. Cook; Mrs. Holmes and J. Dunbar. Mr. Moir was the first principal and Mr. James Stacey the first caretaker. Other principals have been: B. Cameron; W. H. Lightbody; H. W. Ferrier; H. Haines; A. J. Anderson; L. W. Wiley and E.G. Wall.

In 1921 an additional eight rooms were added. The teachers room and principals office were turned into classrooms making 18 classrooms. Two cloakrooms were joined for a principals office, and this is still in use. From 1920 to 1954 grades one to nine were taught. When the Junior High moved out it became an elementary school with grades one to six. In 1969 a kindergarten class was added.

In 1961 an auditorium, kitchen and a small lunch room was added, thanks to the effort of the Home and School. Very few changes have been made except a gas heating system, new lights, halls and a few class rooms tiled and some of the windows changed.

In 1970 there are 491 pupils in three grades ones, two, threes, fives and sixes, two grade fours and a morning and afternoon kindergarten class.

New gym at Prince Edward School gets go-ahead

By Wanda McConnell

Rumors are false that Anola will soon get a new school.

Transcona-Springfield School Division Supt. Paul Moreau said last week that although Education Minister Drew Caldwell's announcement of greater

funding for capital projects bodes well for the division, only time will tell what happens in Anola because final approval has not been granted.

A list of construction projects was released with Caldwell's announcement. The list included a reference to a "major project in the Anola area."

Some Winnipeg media re-

ported that all of the projects on the list had received the funding to proceed.

That's not the case with Anola, says Moreau. "We're looking for a new school and we sure would celebrate the news, but there is no such thing happening," he says.

The Public Schools Finance Board determines the priorities and makes recommendations for funding for school construction to the Education Minister.

Moreau says the division has been in discussions with the PSFB for two years now and "will be back and forth for some time yet." He wouldn't hazard as guess as to when final approval may come from the government for a project in Anola.

For that matter, he adds, it's still too early to say whether an entirely new

school, or just an addition, will be approved. "We certainly want to see a new school, but time will tell."

The school would be a middle years, Grades 6-8 school. Over the last two years, Anola-area Grade 7 and 8 students have moved to Anola School to relieve overcrowding at Springfield Junior High. Now Anola is over-capacity.

"There is an immediate need to do something in the Anola area," says Moreau.

Meanwhile in River East School Division, Supt. John Carlyle says it is a sure thing that a new gym will be built

at Prince Edward School, although details like exactly how big and with what amenities are yet to be determined.

Construction of a new gym also opens up the possibility of converting the existing gym into a multipurpose room, he adds. Some upgrades to the kinder-

garten classroom at the school are also on the drawing board.

Carlyle says a new gym is badly needed at Prince Edward School, a building that is 80 years old. The gym there is small and sub-standard and replacing it has been on the division's wish list for a long time.
