out that as a result of the injunction obtained previously, and which was in effect for only four days, the Electric Railway company was claiming \$8,000 damages in respect of losses said to have been suffered. The by-law regulating vehicular traffic and the parking of automobiles at busy sections of downtown streets will also be considered.

an organization meeting in the St. Boniface city hall last night. A fair number of returned men were present and enthusiastically greeted the proposed scheme of forming a local of the association in the district. After addresses delivered by T. Gibson, J. White and M. Mackie, a number of the French-Canadians asked that the platform be interpreted in French. At the suggestion of A.
