

A GENUINE BEATTY ELECTRIC WASHER AT A TREMENDOUS SAVING

**THE LOWEST PRICE
EVER OFFERED IN CANADA
ON A STANDARD WASHER**

- Think of it — only \$59.95 for a new Beatty Washer — the lowest price for which a Beatty has ever been offered here. More than half the washing machines manufactured in Canada are made by Beatty Bros., Limited. This enormous factory production enables us to make this exceptionally fine offer. Thousands of people who need a washer can get one now.

The Beatty Washer is a 4 to 1 favorite. Canadian women everywhere prefer it because:

1. It is Canada's lowest priced standard washer.
2. It washes all the clothes perfectly.
3. It is sold direct by the manufacturer.
4. It is fully guaranteed by the manufacturer.
5. It is backed by Beatty Direct Factory Service.

Now is the time to buy — to save money — to banish drudgery — to gain hours of freedom. This is a lower price than has ever been offered, since washers were invented. Phone the Beatty Store now — have this washer in your home for next washday. It is the equal of any other washer selling up to \$100. Small down payment and convenient terms can be arranged.

YOU GET MORE FOR YOUR MONEY WHEN YOU BUY A BEATTY WASHER

Here's What You Get:

1. Standard cadmium-plated Lovell wringer, with instant quick release. The same as used on other washers selling up to \$140.
2. Silent sliding gear transmission. Beatty designed and patented. Gives greater power and longer life.
3. Standard Duco porcelain finish tub. Smooth as glass inside and out.
4. Special Beatty agitator. Washes the clothes with speed and ease.
5. Standard electric motor. Made specially for electric washing machines.
6. Mechanism runs quietly in oil. Gears are machine cut, wide faced, and extra strong.
7. A standard washer. Beatty built, Beatty sold. Beatty serviced, and Beatty guaranteed.
