There will be no commercial programs this week. CJOB is saluting all service clubs and service organizations connected with the war efforts as well as peacetime groups working for the community. "Working for Winnipeg" is CJOB's slogan.

an] Owned and operated by Blick Broadcasting limited, a private company, GJOB is situated on the 10th floor of the Lindsay building with the transmitter building and steel antennae situated near Whittier park in St. Boniface.

The president and managing director, J. O. Blick, former R. C. A. F. pilot, has employed, as far as possible, ex-servicemen of the Canadng ian forces. All the technical men were in radio and signal branches of se the service. The commercial manager is A. J. Messner, of Winnipeg. and production manager is L. R. ds Roskin.

The two studios of CJOB are of the latest design, and are completely live minutes to be presented every ret equipped with sound-proof acoustic hour. equipment. To avoid reflected Operating 20 hours of broadcastsound, no two walls in either studio ing a day, from 6 a.m. until 2 a.m., are parallel. All studio walls are radio station CJOB has in-Islanted pultward, so that sound quency, (spot on the dial), of 1340. varwaves are diverted upwards, where The power is 250 watts.

they are absorbed in the specially The ceiling is designed ceiling. "wavy" to further insure sound being absorbed rather than reflected back. The windows in the studios are three plates thick-each one set at a different angle and a closed space between each. The studios are set on seven inches of acoustic rubber-technically speaking they are "floating" rooms" within rooms.

The Control Rooms

control rooms, adjacent to each studio, are separated from the studios by three thicknesses of plate glass, and are completely installed with new broadcasting equipment of the latest design. There are also facilities for transcribing, and the operators are able to have one programme going out on the air while another programme In the second studio is being recorded:

A record library of 9,000 recordings includes all popular artists of stage, screen, and radio fame.

News every hour on the hour is a feature of CJOB. A news staff of three men is on hand 20 hours a day to write a news broadcast of
