

New building for EK family business

The new Copp's Garden Centre opened December 1, with Councillor Jim Ragsdill (Springfield Heights) officiating at the ceremony.

Proprietors Walter and Lillian Copp built their new building on the site their garden centre and former farmer's market has occupied for the past 30 years, 1320 Molson Street.

The new store will feature fruit, vegetable and garden supplies, including bedding plants, trees, shrubs and

Christmas trees. Also, the store is moving into the grocery line, to serve the Valley Gardens area.

Mr. Copp said moving into groceries hasn't altered the

store's operation at all. He said it's still a family operation, run by himself, his wife and children.

The store is open daily from 9:00 a.m. to 9:00 p.m.
