

New Names For Three EK Streets

Three East Kildonan streets will have new names shortly.

Melrose avenue will be changed to Kimberly, Montrose to Larsen and Larsen to Dobbie.

Melrose is being changed on account of another Melrose in Transcona, and Montrose on account of a similar street name in River Heights.

Dobbie, which replaces Larsen in the East Kildonan industrial area, was so named in memory of a former East Kildonan councillor.

Larsen is being retained as a memorial to the late Walter Larsen, a former reeve.

The changes will take effect June 15th.
