

NEW SHOPPING CENTRE: The new Springfield Heights Shopping Centre in North Kildonan is starting to take shape. This week leases were signed by several firms and construction got underway recently on part of the centre. Photo shows the building which will be occupied by Shop-Easy Stores Ltd., and is expected to be opened early in February. Leases signed this week were for

a large Husky service station, drug store, barber shop and beauty parlor. Other businesses interested, but not signed as yet, are an automatic dry cleaning plant, bakery and lunch counter, hardware store, and either a doctor or dentist. The centre is on Rothesay between Kingsford and Sharron Bay S.
