

EAST KILDONAN TEAMS HONORED

Midget and Juvenile Hockey Teams Guests At Banquet— Are Highly Congratulated

More than fifty hockey enthusiasts gathered Saturday night in the Elmwood Labor hall to pay tribute to East Kildonan's two sterling hockey teams who did so well in the juvenile and midget league competition this year. The event was under the chairmanship of H. R. Haines.

Reeve Walter Larson was the main speaker of the evening. He congratulated the members of the two hockey teams on the fine showing they had made, and also paid tribute to the hard-working officials of the East Kildonan club.

During the three years the Ekay colors have been carried in organized hockey the club has never been out of the play-offs. Mr. Larson made special mention of the grand showing the East Kildonan team made against Panthers in the city juvenile final.

W. McCreedy, manager of the club, introduced the various players with fitting remarks, while Mike Kryschuk, coach of the juvenile squad, regretted that a number of his best players, ineligible for juvenile competition next season, would be forced to play for other junior clubs, and stated he would like to see East Kildonan operate a junior team.

Another speaker who attracted much attention from the youngsters was Billy Kendall, an Elmwood boy who now performs with Chicago Blackhawks.

Other speakers were Arnold Dowd, president of the juvenile league; George Poulter, secretary; Dr. J. A. McTavish, Wes Humphrey, "Pop" Holliday, trainer; Dick Kowcinak and Terry Reardon, captains of the juvenile and midget teams respectively; Archie Taylor and Mrs. W. McCreedy.
