

E. Kildonan Councillor Resigns

Wozniak Facing Two Charges Of Theft

Mike Wozniak, East Kildonan councillor facing two charges of theft, resigned his council post Wednesday.

Wozniak, a Ward 3 representative for the past five years, gave his resignation to Mayor Les Bodie Wednesday, the resignation to become effective immediately.

Wozniak tendered the resignation in order to save the municipality "embarrassment," Mayor Bodie said. Wozniak said he hadn't resigned earlier because that would have necessitated a by-election to fill his post. The post will be filled at the regular municipal elections this fall.

The Ward 3 seat will remain vacant until the elections this fall, Mayor Bodie said.

At the fall assizes which open Oct. 13, Wozniak will face charges of stealing a quantity of mushrooms and some heavy duty tires and tubes.

The value of the goods allegedly stolen amounts to \$1,221. Harry Walsh is acting as defence counsel for Wozniak.
