

Do You Make Enough to Keep a Car?

The following table showing the income necessary to maintain an automobile appears in the February issue of *MOTOR*.

(Based on Expenditure of One-Fourth of Income)

	In City	In Suburbs	In Country	At Home
\$600 Car—				
Expense	\$ 700	\$ 556	\$ 487	\$ 40
Income required	2,800	2,224	1,936	1,600
\$1,200 Car—				
Expense	985	829	721	598
Income required	3,840	3,316	2,887	2,380
\$1,750 Car—				
Expense	1,221	1,065	966	831
Income required	4,884	4,260	3,864	3,324
\$2,500 Car—				
Expense	1,970	1,730	1,610	1,490
Income required	7,880	6,920	6,440	5,960
\$4,000 Car—				
Expense	2,410	2,266	2,120	1,930
Income required	9,640	9,064	8,480	7,720
If chauffeur is necessary, add for wages and board	2,240	1,944	1,560	1,560
Thus requiring an additional income of	8,960	7,776	6,240	6,240

another time and roll the tires. An invention has been perfected
