

OPPOSES ELMWOOD VILLAGE **Council of Kildonan Proposes to Cur-** **tail Size of New Village.**

At a meeting of the council of the rural municipality of Kildonan it was decided by that body to oppose those who favor the establishment of the village of Elmwood, in the taking away from the municipality of the following properties:

Lots 49 to 53 St. Johns, 64 and 65 St. Boniface, and also that part of 66 St. Boniface east of the Birds Hill road. These lots are not thickly settled, having only forty people, according to the recent census, living on them.

There were 732 people in the locality it is proposed to incorporate as the village of Elmwood.

The council also decided to make a new assessment of the municipality, owing to the advance of land values, and the changes that have taken place in the ownership of many properties.
