

PLAN  
of the SETTLEMENT on  
RED RIVER,  
as it was in June 1816.

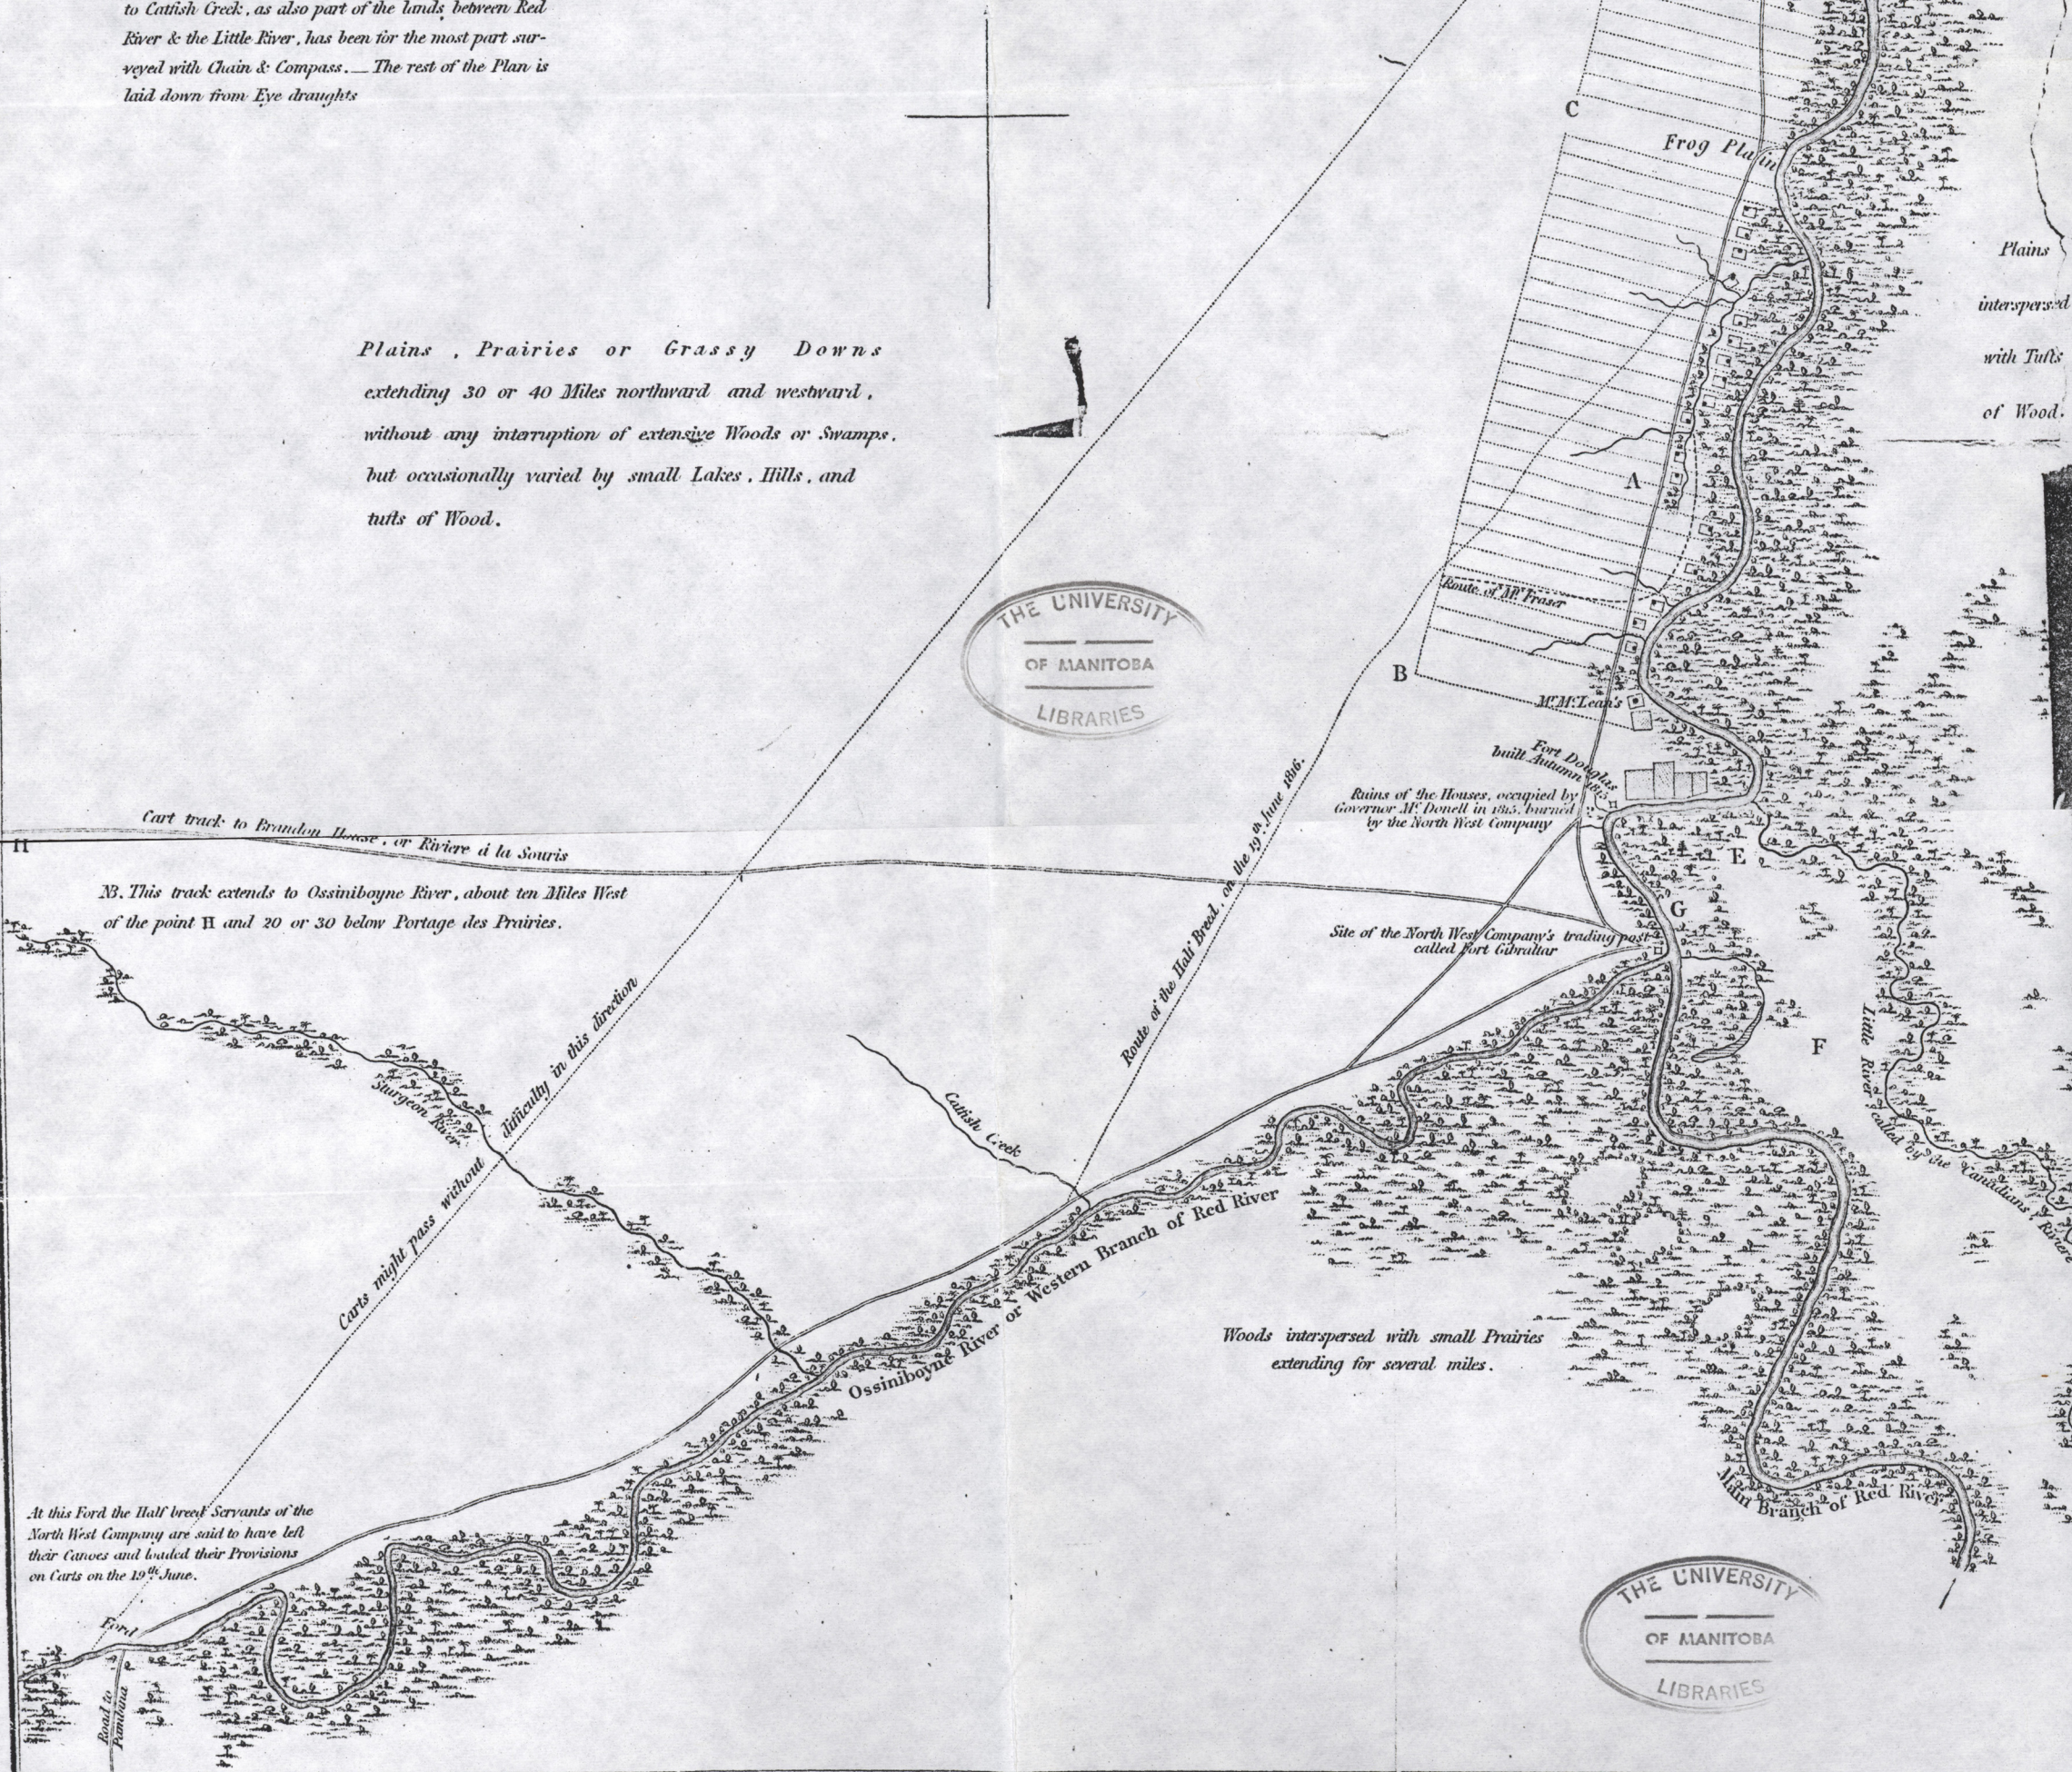

SCALE

AB. From a little below Frog Plain to the Forks, & thence to Catfish Creek, as also part of the lands between Red River & the Little River, has been for the most part surveyed with Chain & Compass. — The rest of the Plan is laid down from Eye draughts

Plains, Prairies or Grassy Downs extending 30 or 40 Miles northward and westward, without any interruption of extensive Woods or Swamps, but occasionally varied by small Lakes, Hills, and tufts of Wood.

- A The place where Governor Semple and his Party were massacred on the 19<sup>th</sup> June 1815.
- B to C Settler's Lots — established in 1814, laid waste by the North West Company in 1815, and again in 1816, & finally reestablished in 1817.
- C to D Lots laid waste in 1815, and not since reestablished.
- E to F Place where the Germans & Swiss of the Regiment de Meuron &c. have been settled, upon the reestablishment of the Settlement in 1817.
- G Site of the Chapel & other Buildings erected in 1818, by Missionaries sent by the Roman Catholic Bishop of Quebec, for the Instruction of the Canadians, resident at Red River.

Cart track to Brandon House, or Riviere d la Souris  
AB. This track extends to Ossiniboyne River, about ten Miles West of the point H and 20 or 30 below Portage des Prairies.

Carts might pass without difficulty in this direction

Route of the Half Breed on the 19 June 1816.

Fort Douglas built Autumn 1816  
Ruins of the Houses, occupied by Governor M. Donnell in 1815, burned by the North West Company

Site of the North West Company's trading post called Fort Gibraltar

Woods interspersed with small Prairies extending for several miles.

At this Ford the Half breed Servants of the North West Company are said to have left their Carves and loaded their Provisions on Carts on the 19<sup>th</sup> June.

Image Plain, a good Landing Place

Plains interspersed with Tufts of Wood.

Little River called by the Canadians Riviere aux

Main Branch of Red River
